

Taylor Lindsay-Noel, who suffered a spinal cord injury while training in the gymnasium at Sport Seneca in Toronto on July 15th, is undergoing rehabilitation at Bloorview Kids Rehab in Toronto.

Gymnastics Canada and Gymnastics Ontario have launched a Canadian donation campaign in support of Taylor's recovery and we are reaching out to the Canadian gymnastics community for your help.

Donation cheques must be made payable to Gymnastics Canada. All funds collected will assist with Taylor's rehabilitation process.

On behalf of Gymnastics Canada & Gymnastics Ontario, thank you for your support in helping Taylor with her recovery process.

Sincerely,
